

Simon Says

Child Bereavement Support

Simon Says School Champion Programme

Creating Compassionate School Communities for Bereaved Children – Be Part of Hampshire's Growing Network of Champion Schools

The Programme Elements: –

- Growing in Grief Audit Tool
- Whole Staff Training
- Policy and Procedures for bereaved pupils
- Simon Says Network Group
- Create a Bereavement Kit
- Hold a Fundraising Event
- Impact Statement

Designed and written by a former Primary School Teacher

We have found our involvement with the champion schools programme absolutely invaluable.

Thank you for the incredibly thoughtful and sensitive way you delivered your bereavement training to our staff.

The work that Simon Says does to support children through the most vulnerable of times is simply exceptional.

Our programme has been examined and endorsed by **The Childhood Bereavement Network (CBN)** which is a National Hub and Advisory Organisation
